ABOUT WCCC 2021

We are very excited to announce our upcoming “**World Conference on Cardiology & Cardiac Care**” to be held on August 23-24, 2021 in Paris, France with the theme “Recent Advances in Cardiac Care”

WCCC 2021 has been intended in an interdisciplinary way with an assembly of tracks to choose from every division and provides you with a unique opportunity to meet up with peers from both academia and industry and establish a scientific network between them. It is our ideology to bring extreme exposure to our attendees, so we make sure that this event is a blend that covers high experts, research professionals, scientists, and young scholars.

It is mainly aimed to deliver an outstanding platform that covers the entire spectrum of research & innovations in addiction and related areas and shares the cross-cultural proficiencies of various advancements in this field providing in-depth exploration. We cordially invite all concerned people to come to join us at our event and make it successful by your participation.

*We look forward to seeing you in

WHY PARIS ??

There's a host of top historic places in Paris to explore and among the very best are the world-famous Musee du Louvre, the Eiffel Tower, and the Catacombs of Paris. Other popular sites tend to include Notre Dame, Les Invalides, and Crypte Archeologique. From impassioned revolutionaries and ostentatious royals to the world of ancient Gaul, the history of Paris is filled with drama, intrigue, and excitement. Thus, it is of little surprise that this is not only one of the world's most beautiful and romantic cities, but that it is also brimming with fantastic historic sites. We've put together an expert guide to the best historical places in Paris.
