venue: Paris

For centuries Paris has been one of the world's most important and attractive cities. It is appreciated for the opportunities it offers for business and commerce, for study, for culture, and for entertainment; its gastronomy, haute couture, painting, literature, and intellectual community especially enjoy an enviable reputation. Its sobriquet "the City of Light", earned during the Enlightenment, remains appropriate, for Paris has retained its importance as a center for education and intellectual pursuits.

Location :

Holiday Inn Express, Paris - Canal de la Villette
