## Venue: London

London, the most significant global city, is the capital and the major city of England and UK. It is one of the most stay at, luxurious and dominant cities which is full of amusing and Vivacities in March. London 2020, March is the month of Pancake Day, St Patrick's Day, International Women's Day and Mother's Day. March is one of the finest months to visit London where the weather is mild, and there are fewer crowds before the summer rush. There's plenty going on in London as spring arrives and the days start to get sunnier and longer, to embrace the new season. London has got a number of leading educational institutions and is also a major global center of higher education teaching and research.
